

## **Fiestas de Cinco de Mayo -- Ole!**

There's more mariachi to be found at Toloache, where they've got a special menu lined up including the Margarita Batalla de Puebla, concocted from Hornitos conmemorativo tequila, fresh lime, Chambord, and jalapeño. Other specials include tacos de langosta (spicy lobster tacos), the Huachinango Toloache (a whole boneless red snapper) and cabrito (brick oven roasted baby goat), because nothing says fiesta like some baby goat.
